

Retailer Teaching Kits

- Two new kits to go with the four from February.
- With these kits, customise your own demos, make and takes and classes in your store.
- Each kit includes a sampling of clear stamps from multiple sets so you don't have to open inventory.
- Each kit includes six printed card ideas, with instructions, that are ready to hand out.
- Use papers, inks and accessories you already have (these items are not included)
- Version available without instructions for use as extra sets in class (CLxxx).
- Strictly for demo and workshop use only – Not for resale.
