Our trading terms are as follows :

- Minimum opening order of £200 + VAT, subsequent orders minimum of £75 + VAT. Opening orders must contain multiples of each product ordered i.e. minimum of two of each stamp etc.
- Orders received by midday for stock items are usually shipped same or next day. Stock items unavailable at time of despatch will be back ordered if required and sent at carriage cost or held until the next order.
- Payment is by a recognised credit/debit card or BACS bank transfer on despatch of goods.
- Orders over £200 + VAT are sent carriage free, otherwise £6.95 + VAT. Delivery is standard next day, however some postcodes may be a 48hr delivery. Deliveries are made during normal business hours i.e. 8:30am – 6pm and will always require a signature.
- We require an undertaking that any products supplied by stampbox limited will be sold through recognised retail channels i.e. Brick & Mortar outlet, Branded Web Site, Mail Order Catalogue etc. In particular our product lines should not be traded on auction web sites in any form and we reserve the right to cease supply if this condition is breached.
- It is important to our suppliers that all the brands retain their premier status and as such heavy discounting should not be required in order to sell our products. Typical selling price of our products, unless otherwise stated, is double trade price plus VAT. Any activity that diminishes the brand value of any of our products may result in cease of supply. If you wish to offer discounts above 15% you will require written approval from stampbox ltd.
- We only supply full time businesses , i.e. contactable during business hours Monday to Friday.
- If you trade via the web we will require your URL and the site will be subject to our approval. All web sites should have a working shopping cart with active credit card merchanting and full contact details should be available including physical address and land line contact telephone number.
- All products supplied remain the property of stampbox limited until full payment is received.
